

# Farnham District Scouts – Family Camp Rules

---

Welcome to Family Camp!

To ensure everyone has a fun, safe, and memorable weekend, please read and follow these rules carefully.

## **VOLUNTEERS**

We cannot run Family Camp without your help! All activities and camp operations rely on volunteers. Please offer some of your time to support an activity or assist around the site — together, we'll make the weekend a roaring success.

## **SECURITY & SAFETY**

Everyone is responsible for safety.

- Report any injuries, hazards, or concerns immediately to Site Volunteers.
- Wristbands must be worn at all times. If you lose yours, please get a replacement immediately. Anyone without a wristband may be asked to leave.
- Familiarise yourself with emergency procedures and the location of the first aid point.

## **EVERYONE WELCOME**

All adults (18+) staying overnight must hold a valid Scout Membership number and current DBS check.

## **UNDER 18s**

Children and young people under 18 are the responsibility of their parents or guardians at all times. Explorer Scouts remain the responsibility of the Explorer adult volunteers on site.

## **OUT OF BOUNDS AREAS**

The weir and the opposite riverbank are strictly out of bounds. Other areas may be declared out of bounds for specific activities. Please follow all signage and volunteer instructions.

## **VEHICLES**

- Vehicles must be off-site from 7pm Friday until 2pm Sunday for safety reasons.
- Parking is available at the Herons Way site.
- In the event of heavy rain, vehicles may not be permitted on Garners Field.
- Please follow the directions of Site Volunteer Marshals — failure to do so may result in being asked to leave.

## **SPEED LIMIT**

A walking pace speed limit applies both on the lane and on site.

## **CAMPING**

- Camping space will be allocated by Scout Groups/Units.
- Site Volunteer Marshals will direct you to your pitch on arrival.
- Tents may be pitched from 6:30pm on Wednesday, provided a Site Volunteer is present.
- Caravans must be placed on site by Thursday evening.

## **FACILITIES**

Please leave all facilities as you would wish to find them — clean and tidy. If you notice any issues, alert a Site Volunteer (look for those wearing hi-vis jackets or carrying 2-way radios).

## **BBQs & FIRES**

- Permitted only in your designated camping area.
- Must be at least 1 metre from any tent and raised off the ground.
- Always ensure fires and BBQs are fully extinguished before leaving them unattended.

## **CATERING**

This is a self-catering event. However, refreshments and snacks will be available throughout the weekend — see the Café menu for details.

## **DAY VISITORS**

Day visitors must leave the site by 9pm each day.

## **PETS**

No pets are allowed on site (with the exception of registered assistance animals).

## **ALCOHOL POLICY**

Sensible alcohol consumption is permitted for adults (18+) only. Please drink responsibly and be considerate of others.

## **SMOKING & VAPING**

Garners Field is a smoke- and vape-free site. Adults (18+) who wish to smoke must do so off-site and dispose of waste responsibly.

## **DAILY PROGRAMME**

The daily schedule and announcements will be shared at Flag Break each morning and posted on the Information Board outside the activity centre.

## **PHOTOGRAPHY & VIDEO**

Photography and filming are permitted at this event.

Unmonitored recordable CCTV operates on this site. If you have any concerns regarding photos or videos, please speak to the Event Organiser.

## **QUIET TIME**

Please be considerate of others by keeping noise to a minimum between 11pm and 6am.

## **THANK YOU**

Thank you for helping us create a safe and enjoyable Family Camp for everyone. Your cooperation and good spirits make all the difference!
